

Molteni&C, faithful to its traditional woodworking practices, is revisiting a great bedroom classic: the *Chiave di Violino* bedside table and dresser. Both are magnificently reinterpreted by B. Reichlin and G. Geronzi to show that classical and contemporary taste can be fused by introducing innovative elements into the design, as long as the spirit of the original design is preserved. Both are always in essence finishes from the Molteni&C collection.

## Finishes

### Wooden finishes

dark oak  
grey oak  
wengé  
American walnut

## Types

### drawer unit with 3 drawers

W 410 D 460 H 500
