

Tivan, by Arik Levy, is a project targeted at those who seek one important leather seat for the dining area. With sinuous and refined lines, merges all the distinguishing features of Molteni&C products, namely traditional craftsmanship

that makes use of precious woods such as oak or American walnut, hide processing that moulds the raw material into a comfortable and cosy seat, and technology based on the use of avant-garde plastics for the body.

■ Finishes

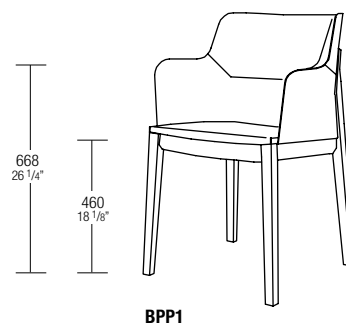

Wooden structure

light elm
dark elm
wengé
dark oak
grey oak
American walnut

Cover

hide leather

■ Dimensions

W 570 - 22 1/2"

Arik Levy Arik Levy, born 1963 in Tel Aviv, Israel, studied industrial design at Art Center College of Design in La Tour de Peilz, Switzerland. He taught at the École Nationale Supérieure de Création Industrielle / Les Ateliers, Paris, and led design workshops at various design schools in Europe. At the same time he created stage sets for modern dance performances at the Grand Theatre in Geneva, for the Netherlands Dance Theatre, the Finnish National Ballet and the BatSheva Dance Centre in Israel. In 1997, he co-founded the firm "L design" with Pippo Lionni.
